The boring rules

Each party will get their table for TWO hours but get 90 minutes of bottomless brunch from the time everyone gets their first round of drinks. Your drink will be replaced once it has been finished and this does not mean downing your drinks as soon as you get them. This is not a drinking game. The price is per person and drinks cannot be shared. Drinking to excess will not be permitted and participants are required to drink responsibly at all times. Management reserve the right to stop the brunch at any time and refuse serving alcohol. **Deposits** are fully redeemable against the total bill and will be forfeited should you decide to cancel your booking less than 24 hours before.

We cannot guarantee that any menu item is completely free of allergens due to shared preparation areas.
